

Emergency Center Eli

In Memory of Our 16 Heroes

Protecting a strategic community • Uniting all emergency forces

why

Rising Threat

Increasing terrorism and preparation for a future October 7 scenario in our region

Rapid Growth

Over 1,000 housing units approved. ~500 almost ready. Vision: city of 10,000 residents

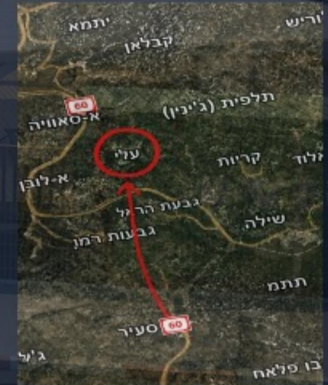

Dispersed Forces

Ambulance, fire truck, security and police currently in different locations → slower response costs lives

Strategic Location

Eli controls Route 60 – Israel's second major north-south artery (Jerusalem –Shechem–Jenin)

What We Already Built – Phase A

Over \$1,000,000 already invested by the community

Armored ambulance in memory of Major Amisher- costing over ₪1M.

Site development, asphalt canopies & rooms over ₪1M.

Fire truck approximately ₪1M.

The Partnership We Seek

\$ 500,000

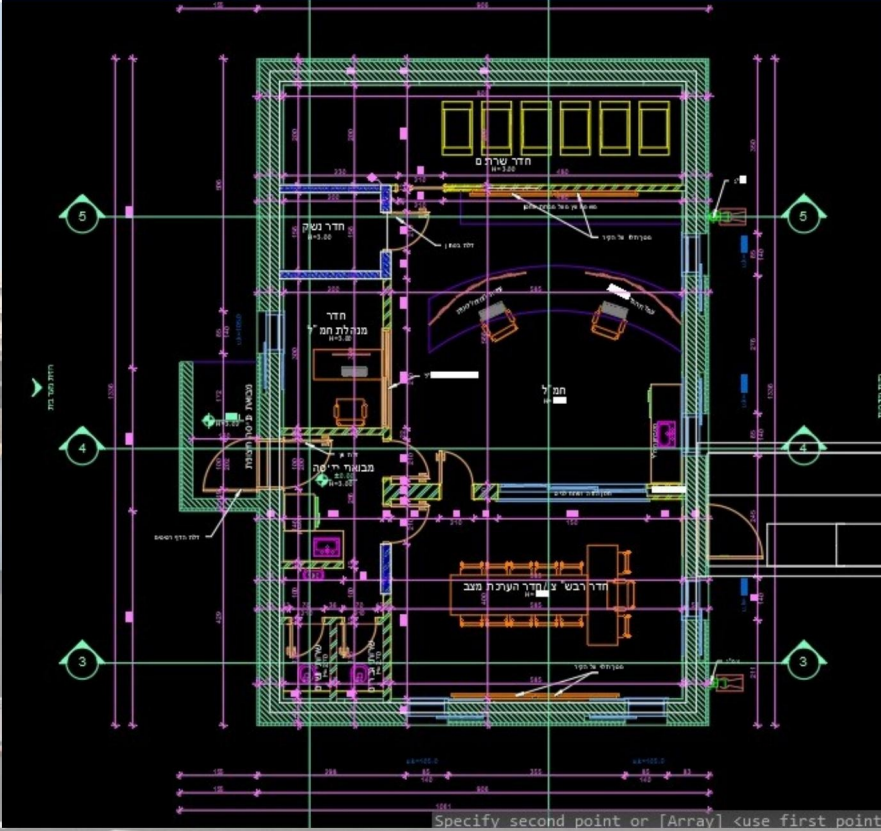

To complete the permanent protected building

Architectural plans ready for immediate construction.
Named in memory of our 16 heroes.

The center will unite:

MDA • Fire Department • Security Force
Police coordination • 24/7 Operations Room

Plan's

Dedication Opportunities

Help us complete the Emergency Center in memory of our 16 heroes

You can dedicate a room or the entire building in your name, or in memory of a loved one. Many choose to dedicate in memory of the brave soldiers who fell defending the Land of Israel. This Center is being built for them and for the future of our community.

Dedication	Amount
Naming of the entire building	\$200,000
Operations Control Room (War Room)	\$70,000
Security Officer's Room (Ravshatz)	\$50,000
Operations Manager's Room	\$30,000
Armory (Weapons Room)	\$20,000
Server Room – Technological Heart	\$10,000

Every dedication includes a clear plaque with the name you choose.
